

2023 SMPC Missions/Outreach Funds Distribution

The Missions/Outreach committee recently determined the distribution of \$45,500 in funds designated for benevolence purposes:

- \$25,000 of these funds were gifted for Missions/Outreach use by the From Strength to Strength capital campaign (3% of annual receipts are designated for benevolence)
- \$20,500 of these funds were gifted for Missions/Outreach use by members of the congregation.

These distributions are in addition to the \$24,000 annual budget of the Missions/Outreach Committee.

Generally, the committee distributes its funds equally between its Outreach (local) partners and its Mission (foreign) partner, specifically OFCB in Haiti.
