SMPC might be even better if...

When do you feel closest to God? Through prayer, worship, children's church, BAM, service events, youth group, etc.?

What is one question you have about God, Jesus, or faith?

What helps you learn best at church (games, music, bible study, lessons, times of prayer, worship, mission events, etc.)?

If you could change one thing about church to make it better for kids your age, what would it be?

Who at church has helped you grow in your faith, and how?

What is something you wish we talked about more at church?

Is there anything else you would like to share?
